

## Are you ready to restart your business?...

# Social Distancing Manufacturing Facility Preparation

At MSM, the combination of our experience in multiple manufacturing settings, our team's lean expertise and our partnership with one of the country's best low-cost equipment manufacturers, make us perfectly suited to support manufacturing companies as they prepare to resume operations. We will work with you to ensure you comply with the latest government advice for social distancing as you re-start your operations, whilst at the same time helping 3 worthy charities by donating 50% of the profits.

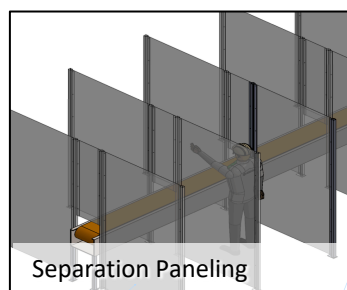

## A Fully Turnkey Solution

Keeping your employees at a safe working distance will require planning and organizing. From how they arrive on site to individual work stations. MSM can provide specific help or a bespoke turnkey solution depending on your individual needs.
